FEBRUARY 2012

Dear Lilliput Parents,
As tax time nears, we want to remind parents that their tuition here may be deductible. Please check with your accountant, if both parents are working then you may be able to use the tuition as a deduction.

Lilliput's Tax ID number: 04-3162-287

If you forget our tax ID number you can refer to this newsletter on our website all year at: www.Lilliputschool.com under "News"

If you have dependent care vouchers, we would be glad to sign those for you. We do not have payments on computer so please use your canceled checks or receipts for cash for your tax purposes.

Thank you,
Linda Sullivan & Corinne Uliano

PARKING LOT ETIQUETTE

Thank you for not getting into the pick-up or drop-off line until your designated time. We truly appreciate it! ☺

If you do arrive early, please park in a parking space and not in a spot blocking an open parking space or other cars. Teachers arrive at all different times and need to be able to park.

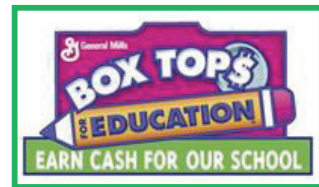

With each snow storm the parking lot gets a little smaller. We are working hard to move the snow as far back as we can. Thank you for your patience and assistance. We hope this will help the line move more smoothly and stop parents from waiting out on RT. 140.

OUTDOOR PLAY

Please, send your child to school wearing warm clothes and with proper snow gear to wear out to the playgrounds which are covered in fun snow. ☺

If a child is not properly dressed they will miss out on the fun at recess. They need to bring to school every day: boots, snow pants, a hat, mittens (no gloves if they cannot put them on themselves please) and their winter coat. We go out most days and your child will be uncomfortable if they are not properly dressed. Thank you!

GETTING READY FOR KINDERGARTEN

State law requires all public school systems to screen children prior to their entering Kindergarten. This screening is not a readiness screening (we do that) but it is a screening to look for possible learning problems. Whether you are planning on sending your child to public or private kindergarten, you should have them attend this screening.

Within the next few weeks Shrewsbury residents should be getting information from Beal about this process and also about registering your child for Beal. If you do not receive this information by the end of March, contact the Shrewsbury Superintendents office.

BRUSHING TEETH AFTER LUNCH

As of January 22, 2010 the Massachusetts Department of Early Education and Care (DEEC) our licensing agency, has made a new regulation that all children eating lunch at school must brush their teeth. This includes children who are in our half day programs and eat lunch and then go home.

However if we have a note from the child's parents saying they want to opt out of having their child brush their teeth at school no further action is necessary.

If we do not receive a note from you in order to accomplish this we are asking parents to send a tooth brush and tooth paste in their child's lunch box each time they eat lunch here. After they eat we will see to it that they brush their teeth.
